

INTERESTED IN BECOMING A PRIVATE INVESTIGATOR?

Southwest Investigations Group (SIG) and UTEP will be teaming up to bring you The Texas Private Investigator Program starting February 7th!

About the Program:

The TPI program consists of 224 hours of face-to-face instruction in investigations that meet State of Texas requirements under Section 1702.114 of the Private Security Act. Those who successfully complete the program will be eligible to sit for the Manager's Examination, Class A License, Private Investigations Company, in the State of Texas.

The program encompasses all aspects of investigations and is applicable for all private and public (law enforcement) investigators regardless of their current level of knowledge, skills or abilities. Prior investigations experience or training is not required. Graduates of the program will not be required to establish proof of three consecutive years of full-time investigations experience, normally required for the Manager's License.
